Subject: patent application telephone discussion

Dear Mr. Wall:

In our telephone discussion this morning, you requested a list of the names of Viant (or former Viant) employees who were identified as inventors for a patent application that was filed last year. Those individuals are:

1. Steve Koenig
2. Seth Palmer
3. Bruce Forest
4. Andrew Frank
5. Will Chong
6. Bryan Spaulding
7. Jeremy Barnett
8. Chad Evans
9. Evan Schnabel
10. Hunter Ochs
11. Karl Wiershoim
12. Todd Henderson
13. Brian Lakamp

The above spellings may not be perfect. Of the above individuals, we were informed that Steve Koenig, Bruce Forest and Karl Weirshoim may no longer be with Viant. In addition, we were informed that Hunter Ochs is in Germany.

As we discussed, the U.S. Patent and Trademark Office requires certain

information about each inventor named in a patent application. That information is: 1) full legal name; 2) current mailing address; and 3) country of citizenship. Also as we discussed, the deadline for submitting signed documents (including the above information) is March 16, 2001. Your assistance in helping us collect the information is greatly appreciated.

Per our discussion, I will ask a Sony counsel (or other suitable Sony representative) to contact you to verify my involvement in the project and to discuss the disclosure issues that you raised.

Best regards,

Ted R. Rittmaster
